PSHE Teaching – Llond Ceg

PSHE is currently a non-statutory subject, however schools are required to make provision for PSHE Education, drawing on 'good practice'.

Finding resource and support materials for this subject can be difficult given the broad frameworks currently provided. Helpfully, S4C has developed ***'Llond Ceg',*** a series discussing and debating the issues important to young people with subjects covered ranging from self-image to divorce, relationships and social media.

Presented by Radio 1's Surgery presenter Aled Haydn Jones, co-presented by Kizzy Crawford and Geraint Hardy, the series is designed for children aged 8-14 and English subtitles are available. Your ERA Licence ensures you can make copies of any of these programmes and show clips (or whole programmes) to you class, or ask pupils to view them at home prior to classroom discussions.

The Llond Ceg website:
s4c.cymru/llondceg offers further advice and clips as well as previous episodes, including one on Mental Health and another on Self Image.

In partnership with Childline, NSPCC and the Children's Commissioner for Wales they have also produced an excellent free app available to download from iTunes and Google Play.

This is one of many apps made by S4C which you may find useful. For example, the Cyw service's 123 and ABC apps. All available for free. See more here: s4c.cymru/cyw

Adding Value to the ERA Licence

Radio and television programmes can be a source of an amazing wealth of teaching resources. The ERA Licence covers material sourced from broadcasts (including accessing catch-up TV services of the UK public service broadcasters) for teaching resources and schools can make this material available to students in the classroom and at home.

Schools in Wales are licensed mainly through group licence arrangements with local authorities, or in a small number of cases, on an individual basis. As a not for profit organisation, ERA only cover our administration costs from the money we collect from licensing. We pay everything else to our Members. This ensures that Rightsholders are being paid fairly for the work they have created. Follow us on Twitter **@ERAResources** for updates on upcoming programmes or go the Resources section of the ERA website for case studies from other teachers.

Addysg Bersonol a Chymdeithasol – Llond Ceg

Nid yw'n orfodol i ddysgu pwnc Addysg Bersonol a Chymdeithasol (ABCh), er hyn mae disgwyl i ysgolion ddarparu addysg gan ddwyn ar 'arfer da'.

Mae dod o hyd i adnoddau ar gyfer y pwnc yma yn gallu bod yn anodd o ystyried pa mor eang yw'r fframwaith. Ond mae S4C wedi datblygu adnodd ***Llond Ceg,*** cyfres sy'n trafod materion sydd o bwys i bobl ifanc, gyda phynciau yn amrywio o ddelwedd i ysgariad, perthynas a chyfryngau cymdeithasol.

Gwerth y drwydded ERA

Gall rhaglenni radio a theledu fod yn adnodd addysg ddefnyddiol ar gyfer yr ystafell ddosbarth. Mae'r drwydded ERA yn caniatáu i chi ddefnyddio cynnwys o raglenni sydd wedi eu darlledu (yn cynnwys ar wasanaethau gwylio ar alw sianeli darlledu cyhoeddus y DU) fel adnoddau addysg ac mae modd i'r ysgolion ddarparu'r cynnwys ar gyfer y disgyblion i'w gwylio yn yr ystafell ddosbarth neu yn y cartref.

Mae ysgolion yng Nghymru yn cael eu trwyddedu drwy drefniant trwydded grŵp gyda'r awdurdodau lleol, neu mae nifer fechan o ysgolion wedi eu trwyddedu yn unigol. Mae'n sefydliad nid-er-elw, gydag arian y drwydded yn cael ei ddefnyddio ar gyfer gwaith gweinyddol yn unig ERA. Mae gweddill yr arian er budd ein haelodau. Mae hyn yn golygu fod Deiliaid Hawliau yn cael pris teg am eu gwaith. Dilynwch ni ar Twitter **@ERAResources** am y diweddaraf am raglenni neu ewch i'r adran 'Resources' ar wefan ERA i ddarllen am brofiadau athrawon eraill.
