

How does politics affect me?

Cambridge student: 'a black woman can rightfully occupy a space at an elite university'

We are going to watch a clip from the Channel 4 News, *Cambridge student: 'a black woman can rightfully occupy a space at an elite university'*, where Courtney Boateng, one of just 38 black British students accepted to Cambridge in 2015, talks about her experience.

Task: as we watch, prepare your ideas for a class discussion: **how is this political issue important to us and our society?**

Sentence stems to introduce your idea:

Based on what we have watched, I believe that..... because.....

It seems to me that..... because.....

Personally, it is my opinion that..... because.....

Based on....., I find it interesting that..... because.....

My thoughts and opinions with reasons (make sure you give at least three thoughts/opinions you have!)

Ideas from the clip that inform my view:

Ideas from my own knowledge that inform my view

Key Vocabulary I want to use:

Thoughts I have during the discussion:

Sentence stems to engage with other people's ideas:

I agree with (name), because

Whilst (name) makes an interesting point, it seems to me that.....

I'd like to build upon what (name) said. because.....

What do you think about.....?
